Two or More Works by Same Author Published in Same Year

When your list of references includes more than one work by the same author in the same year, use lowercase letters (“a,” “b,” and so on) with the year to order the entries in the reference list. Use those same letters with the year in the in-text citation.

Research by Durgin (2003b) has yielded new findings about the role of counseling in treating childhood obesity.

Note: These entries are arranged alphabetically on the References list by title of work.

Two or More Works in the Same Parentheses

When your parenthetical citation names two or more works, put them in the same order that they appear in the reference list, separated with semicolons.

Researchers have indicated that studies of pharmacological treatments for childhood obesity are inconclusive (Berkowitz et al., 2003; McDuffie et al., 2002).
