SUBJECT:  Homework and Quiz 3

Your homework assignment is to view the Country Review Video Tutorial with Quiz. A link to the tutorial is posted at the bottom of this page and is posted in the LibGuide for this course. Complete this quiz by midnight (EST) on Wednesday, September 12, 2018.

The tutorial provides instructions for using the Business Source Complete database to locate the most current country review for your country of interest. Why not begin with a Latin American country for this assignment?

A quiz is a part of the tutorial. The quiz requires that you email to me a copy of the country review that you find.

While cited in the tutorial, I will also give you my email address here: lbivens@sjcme.edu.

As noted in the tutorial, you should have easy access to your country review in class on Thursday, September 13. We will determine how to cite the review in APA style in class.

If you have questions, I can be reached on campus by either email or phone (Ext. 7724) until 5:00 pm on Wednesday, September 12.

The tutorial is intended to be viewed by all students, and the quiz is to be completed by individual students, **not** groups.

By the way, the tutorial is four minutes in length. Viewing the tutorial and taking the quiz should take no more than 10 minutes.
